

# **DMIE Model – Privacy Policy (GDPR & POPIA Compliant)**

This Privacy Policy explains how the DMIE Calculator App processes, protects, and manages user-submitted economic parameters.

The app does not collect personal data. All inputs are anonymised and processed locally where possible.

Compliance: The system follows key GDPR and POPIA principles including data minimisation, transparency, user rights, and strict avoidance of identifiable information.

Users maintain full control over their inputs, and no data is stored, shared, or profiled.
